### Our Services

---

308 Consulting & Strategy Group Inc. is a leading provider of human rights investigations and consulting services. Our team of experienced professionals has the knowledge and expertise to provide clients with customized solutions to their unique needs. We offer a range of services to help individuals, businesses, and organizations navigate complex human rights issues.

Our services include:

- 1) **Human Rights Investigations:** We conduct thorough investigations into allegations of human rights violations, discrimination, harassment, and other workplace issues. Our investigations are unbiased, and confidential, and provide clients with a clear understanding of the facts.
- 2) **Human Rights Consulting:** We provide strategic advice and guidance to businesses and organizations on human rights policies, procedures, and best practices. We work with clients to develop effective solutions to prevent and address human rights issues.
- 3) **Training and Education:** We offer customized training programs to help clients understand their human rights obligations and responsibilities. Our training programs are designed to promote diversity, equity, and inclusion in the workplace.
- 4) **Workplace Assessments:** We conduct comprehensive assessments of workplaces to identify potential human rights issues and recommend solutions to address them. Our assessments are tailored to the specific needs of each client and provide a roadmap for creating a more inclusive workplace.
- 5) **Turn-Around Consulting:** We provide turn-around consulting services to help struggling businesses identify the root causes of their challenges and develop effective strategies to turn things around. Our team of experienced professionals has a proven track record of success in helping businesses overcome obstacles and achieve their goals.
- 6) **Government Relations:** We offer government relations services to help clients navigate the complex regulatory environment and achieve their policy objectives. Our team has extensive experience working with government officials and developing effective advocacy strategies.
